

## Second Annual Seattle G-Man

Dear Sponsor/Player,

We are pleased to announce the 2nd annual FBI Agent's Association (FBIAA) Seattle G-Man Shootout on August 26, 2010. This event will raise money for the FBIAA Memorial College Education Fund, a 501 (c) (3) tax exempt charitable organization that provides college scholarships to children of deceased FBI agents. To date, over 200 children have benefited by receiving either loans or scholarships from the fund. Our goal, with your help, is to continue to provide current and future recipients with the resources necessary to pursue their educational dreams.

Sincerely,  
Raymond Lauer, Seattle FBIAA Representative
