

Potty Mouth Memorial Golf Tournament

I believe I accommodated everybody's requests. Unless there is some major issue, bite your tongue. I had to do some last minute juggling as a result of some persons who are required at the memorial service.

High Cedars is in the best condition I have ever seen. I belong to the Men's Club and play there every Saturday morning. The place is in fantastic shape. The driving range has been spruced up, spaces added, and will be ready for your practice, or you can buy me a morning cocktail instead.

Please play ready golf. High Cedars is a stickler about keeping up the pace of play. If you need to adjust your handicap from what is listed, then adjust on your scorecard.

Read the rules, please. Questions, email me. I will be in Las Vegas for the coming week, so don't expect an answer until Saturday.

Potty Mouth Memorial Golf Tournament

1. Summer Rules

2. Play from tees appropriate to your gender or age. If you are claiming transgender, play from wherever you want. (Seems to be the trend). If you are a non-binary individual, then you won't be able to decide which tees to use anyway. **WHEN TURNING IN SCORE CARD TO MIKE HORI, ADJUST YOUR HANDICAP TO THE TEES YOU PLAYED. IF YOU NEED HELP WITH THIS, COME TO MIKE OR BRUCE.**

3. Handicap 1-20 KP Hole #8

4. Handicap 21-40 KP Hole #11

5. There is no club throw this year. If you feel the need to throw a club, remember, Charlie, Ryan, & Rick live here.

6. Play OB as played in the PNWLE, to speed up play. But remember, if you hit OB, you must yell the most famous 'Sparbyism'.... Again, remember Charlie, Ryan, & Rick live here.

7. Putt all putts, although we know that doesn't really happen. Count all your strokes. If you stop at double-par you are out of the competition. Although if you go over double par you probably are not in it anyway.

8. Remember, try and use as many 'Sparbyisms' as possible (except around the few homes on the golf course, remember Charlie, Ryan & Rick live here). Most of them usually involve the 'F' word.

9. Count & double check your scores. Scorecards go to Hori-san when you come off 18. Hori will have current handicaps & your handicap for High Cedars. Use correct adjusted handicap for the tees you played.

10. The golf course will try and have dinner ready about the time the last group is finishing. So, keep up pace of play.

11. Tie-breaker/s will be holes by handicap.

12. Any disputes, Charlie McClure is the judge.

13. And remember, Charlie, Ryan, & Rick live here.
