Friday 9/11/20 SPGA had our end of the year "666" scramble at West Seattle Golf Course. We had a lower turn out than usual this year, obviously due the Covid 19 and the civil unrest happening on a daily/nightly basis. Then there were the unhealthy smoke conditions for the day. Luckily, we got everybody out before they closed the course for the day due to the smoke. Afterwards we were able to mingle in the patio and hand out the winnings for the tourney. We then transitioned to the parking lot for a small tailgate and there the winners of the flight match competitions were given their prizes.

It was a weird year where at first, we thought we would have to cancel the season. The spring scramble was cancelled. The restrictions were then lessened, and we decided to alter the flight competition, so we had enough people for 6 flights. We were able to play the Memorial tourney at Maple Valley GC then the End of year, minus the End of the year Banquet.

Thank you all for your participation this year despite all the Crap 2020 has thrown at us!
