Hello SPGA Golfers,

Sorry for the delay in sending out this year's last email, but the final match of the 2021 Flight Match competition was just completed. Therefore I have attached the final standings of this year's flight match competition. Congrats to this year's winners of each flight and especially to Eric Cole as this year's SPGA Club Champion!!!

I also attached the results of the 2021 End of the Year 6-6-6 tournament at West Seattle GC for those of you unable to attend. (Results at www.seattlepolicegolf.com) Despite all of the chaos of Covid and Seattle politics, I believe we still had a great year!

Have a great off-season, maybe take some lessons, or go to the sunshine and practice for next year. The annual pre-season meeting to vote on 2022 SPGA Officers and the courses for the flight match competitions will be held most likely in early to mid-February.

Lastly, due to health issues and other reasons, I will be stepping down from the SPGA Presidency for next year. Let's keep the SPGA going strong. If you are interested in the job for next year reply to me and I can give you the specifics of the duties required. I will assist in any way to make the transition easy and painless.

Have a great off-season. Be safe and Take care!!
