

Seattle Police Golf Association

Established 1935

URGENT MESSAGE FROM THE PRESIDENT

September 11, 2026

PLEASE READ THIS LAST PART...

Next year we are anticipating several vacancies on our board of directors, and our golf association is in desperate need of participation in these positions as well as membership to keep our golf association alive. The Seattle Police Golf Association has been around since 1935, and we are getting dangerously close to seeing the end of it in short order.

And now my ask of you...

If you have enjoyed participating and would like to see the association live one, **please consider volunteering for a position on our board of directors next season.** Our elected positions are:

1. President
2. Vice President
3. Team Captain
4. Secretary
5. Handicapper
6. Entertainment
7. Webmaster

Currently, some of our board members take on multiple positions and we have **several** anticipated vacancies next season. **If you have interest in any of these positions or any other skills that could be applied in another way, please reply to this email.** I can send more information on the needs of each position.

If you have any ideas on how we can recruit more members or improve in any way, please reply to this email. Without you all and hopeful new members next year, our association will come to an end. For next season, I am officially opening our membership to any friends, family, and any other law enforcement associates to join our association. All that is required to compete is an active GHIN.

Elections and voting for the 2027 season will be at our annual meeting in February at the SPAA range in Tukwila. Please attend! More info will be sent in January.

Thank you all for a great season. I hope to see you all next year!
